

App. No.: 10/770,926 Applicant: Jared Waxman Preliminary Amendment B 3

Remarks

The specification is amended to include priority claim information. No new matter is introduced.

The previous preliminary amendment adds priority claim for two provisional applications. The second provisional application was subsequently given a corrected filing date which is later than the filing of this non-provisional application, so priority for the second provisional application is no longer claimed.

Respectfully,

Jared Waxman
